MEMORANDUM

TO: Ms. Leslie Kryder
(via email)
CC: Barbara Mannschreck, Michelle Landay, Laurie Frappier, Patricia Archuleta, Zach Gruen, Tom Gifford
FROM: Tom Mannschreck, Thomas Development Co
DATE: November 18, 2019
RE: Responses to October 16, 2019 Santana Neighborhood Meeting

Questions and Answers to Leslie Kryder and Neighbors

Architecture:

- Height – four stories to Copper Avenue setback per IDO requirements, five stories trending to south.
- The architecture meets the IDO guidelines without a Workforce Housing Bonus.
- Unit mix – 111 units consisting of:
 - 38 one bedroom, one bath.
 - 69 two bedroom, two bath.
 - 4 three bedroom, two bath.
- Parking – 96 surface spots including ADA compliant spots.
- Landscaping
 - There will be a landscaped downlighted strip on Central and on Adams.
 - A pocket public landscaped amenity on Adams approximately 100 feet north of the intersection will be constructed and will include park benches creating a community conversation area.
- Amenities
 - Fitness center.
 - Computer room.
 - Kitchen/living area trending to an outside patio for birthday parties, etc.
 - Bicycle storage.
 - Outside barbecues.
 - Children’s play areas for children of varying ages.

The architecture is being refined and will be presented at or before the December 2019 meeting.

Apartment unit rental mix:

- 17 market rate.
- 72 affordable with incomes and rents ranging between \$24,000 and \$44,000 per year.
- These numbers are annually adjusted by HUD.
- According to the Albuquerque Journal’s article dated October 16th, 2019, the average renter’s income is \$31,953 which is right in the middle of our page – see following link, https://www.abqjournal.com/1378308/rents-on-the-rise-in-metro-albuquerque.html?utm_source=email-a-story&utm_medium=email&utm_campaign=email-a-story.

- 22 units reserved for individuals and families with physical and mental challenges. Supportive Housing Coalition of New Mexico (“SHC”) will provide onsite services including but not limited to financial counseling, goal setting, medical care coordination, and job counseling.

Question: Will the rental profile identified above change?

Answer: The Developers request that New Mexico Mortgage Finance Authority (“NMFA”) allow us to take some units up to 80% Area Median Income.

Relative to the 72 units of low and moderate incomes; these will remain as noted above, perhaps subject to some final tweaks to refine economic viability, for a period of 40 years. This agreement is recorded as an encumbrance against the property just as a home loan would be. If we don’t comply, just as if one does not make their home mortgage payments, we have foreclosure risk with NMFA.

Question: Who are our residents?

Answer:

- Starting schoolteachers and counselors.
- Hospital, medical, and dental employees such as CNA’s LPN’s, dental assistants, and others who do not hold a professional license such as MD, DDS, RN, etc.
- Retail and service workers.

See attachments detailing wages by occupation for more detailed information.

Supportive Housing Coalition (“SHC”):

The resident lease qualification requirements related to the 22 units of Permanent Supportive Housing (“PSH”) begin with an application process conducted using the attached application materials which include:

- Credit report.
- Background check.
- Checking with past landlords.
- Income verification.

The following questions are noted to make it clear as to whether SHC will make a “rent to this person” or “don’t rent to this person” decision.

Question: Will SHC rent to someone convicted of violent crime including burglary, homicide, domestic violence, rape, etc.?

Answer: Declined.

Question: Will SHC rent to someone convicted of drug use, manufacturing, intent to distribute, etc.?

Answer: Declined.

Question: Will SHC rent to someone convicted of domestic violence including stalking, etc.?

Answer: Declined.

Question: Will SHC rent to someone convicted of non-violent property crime such as vandalism or trespassing?

Answer: Generally, yes.

Eviction:

Question: What are examples of causes for eviction?

Answer:

- Nonpayment of rent.
- Illegal drug use, possession, intent to distribute.
- Lease and rules violations including but not limited to the following:
 - Allowing people not on the lease to reside in the apartment for more than 14 days.
 - Lease and rules violations as noted on the attached lease and rules document.
 - Ex-boyfriend/girlfriend/wife/husband residing on the property more than 14 days identical to that as noted above.
 - Anyone residing on or visiting the property who is not on the lease and is subject to a restraining order – this is very difficult to police as it requires the resident to provide management with a copy of the restraining order. If provided, management will actively intercede with the Albuquerque Police Department.
 - Tobacco smoking in the entirety of the apartment building or outside other than in designated smoking areas – this will be a no smoking property.

Question: What is the eviction process?

Answer:

- AB was released on parole, was homeless and was approved for our program. AB was able to maintain for about 6 months. Then he became physically ill. While he was being treated for his illness he relapsed and became dependent on pain pills. This dependency then led to the use of other substances. The service coordinator offered resources and services to assist with his dependency, which he refused. Due to the use of substances, AB's behavior became disruptive to the community. Because of these disruptive behaviors, AB was issued notices for lease violations. This led to AB being evicted from the property, to ensure the safety of the other residents and the community.
- SHC employs the legal process through the court system for the eviction process.

Question: What will happen to the residents in the 22 Permanent Supportive Housing units if the social service funding from the variety of government sources SHC has identified either decreases or is eliminated?

Answer: The funds for these programs, like any other government funded programs, are subject to periodic (generally annual) re-appropriation. SHC and Thomas Development Co. will keep very careful records (as SHC does on their other similar facilities) and TDC does on the 40 unit Permanent Supportive Housing ("PSH") facility completed November 18th, 2018 in Boise, Idaho.

This information will be provided no less than annually to the existing funders and proposed new funders to verify the value of these 22 units.

If funding resources are diminished or eliminated, the Development Team will aggressively seek appeals and/or other funding sources to keep the funds necessary to provide these needed services.

In the event funding is eliminated, the residents in the 22 units will be relocated throughout the submarket or other agreed locations in the City of Albuquerque where, hopefully, further support services can be provided.

In the event such event happens, the owners will work with the City of Albuquerque, Bernalillo County, and NMHFA to revise this restriction on these 22 units to delete the PSH provisions nonetheless keeping the units rented only to low and moderate income individuals.

Discussion topics for the group:

- SHC lease violations, eviction notices, etc. are attached.

Additional Due Diligence needed from the Development Team:

TDC

- Commission traffic study.
- Provide empirical research demonstrating that affordable housing has no impact on surrounding property values.
- Commission market study which will not be shared with the neighbors.
- Handle the items described above.

SHC

- Provide the information requested above.
- Identify other Albuquerque facilities which have PSH units, average occupancy.
- Spread across the rent spectrum from PSH to market rate.
- Verify funding for support services through first year of operations.
